Let us introduce to you "Paloma", a Volkswagen Kombi T2 from 1992, waiting for her new owners to keep travelling around the continent. It has a full camping setup and is equipped with everything you need for a comfortable trip.

It has a spacious interior with a good three layer insulation, lots of storage by the side, with a foldable bed/sofa for two people, so you can choose between a bedroom or a living room in a single move. It has a kitchen area inside with a 22L Alpicool fridge, a 60L water tank with a sink (manual pump), kitchen equipment (pans, plates, knives, etc) lots of storage and a 2 burner stove above a drawer that you can pull outside if you like.

It also includes a full solar system with a 220W solar panel with a 100AH deep cycle battery (that can also be charged by the motor), 2 USB slots and 230V inverter.
