

# JINBEI HAISE 2.5 2014

Brand	Jinbei
Model	Haise 2.5
Transmission	Manual
Year	2014
Fuel	Diesel
Mileage	118.000 kms
Price	11.000 euros

This Jinbei Haise it's a small chalet on wheels, super comfortable and fully equipped for 2 and for traveling in all seasons. Raised roof, long and very practical living space. The van is all-purpose, perfect for sleeping in town, or in the middle of nothing. It has 2 wheel drive (propulsion) with high clearance. Very good suspensions and it's perfect for off road. It has a diesel motor with a consumption between 9 and 10L/100km. 70L tank of fuel, power steering, electric windows and Three seats in the front.

It has a cozy and really comfortable wooden interior with a spacious living space. In the daytime mode, it has a large table with benches that can accommodate 4 people comfortably (6 a little tight), Very pleasant space to work or read while enjoying the view; and in night mode, the space transforms into a comfortable full size double bed.

It has a kitchen furniture with a lot of storage, a stove and a sink (12v pump, 25l water tank), a 20L fridge (12v), two gas burners and all the necessary kitchen utensils.

## It includes:

- 25 liters of clean water
- 25 liters of gray water
- Very large electrical system for total autonomy, enough to charge 2 computers, cameras and an electric blanket.
- A solar panel and a converter coupler (recharge while driving, perfect for days without sun)
- MPPT, 800w inverter, 200AH auxiliary battery.
- 6 220v sockets (Chilean = French) + 2 Argentinian sockets (= Australian) on the converter + 1 USB socket.
- Equipped kitchen (20L fridge, two hotplates, sink, etc.) with numerous kitchen utensils, crockery, cutlery, etc.
- Many equipment included (you have everything to go on a road trip)
- 20l diesel canister
- Heating blanket for cold Patagonian nights
- Blender for good smoothies!

**Do you imagine yourself travelling the continent in this "house on wheels"?**

Please do not hesitate to get in touch with us.  
If you have any questions, we'd love to chat over WhatsApp or video call and give you a long-distance tour of the van.
